Standards Announcement

Project 2019-04 Modifications to PRC-005-6

Formal Comment Period Now Open through July 24, 2023

Now Available

The formal comment period for draft one of **Reliability Standard PRC-005-7 – Protection System, Automatic Reclosing, and Sudden Pressure Relaying Maintenance** has been extended and is now open through **8 p.m. Eastern, Monday, July 24, 2023**.

Commenting

Use the [Standards Balloting and Commenting System \(SBS\)](#) to submit comments. An unofficial Word version of the comment form is posted on the [project page](#).

- Contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern) for problems regarding accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out.
- Passwords expire every **6 months** and must be reset.
- The SBS is **not** supported for use on mobile devices.
- Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.

Next Steps

An initial ballot for the standard and implementation plan, as well as a non-binding poll of the associated Violation Risk Factors and Violation Severity Levels will be conducted **July 14-24, 2023**.

For more information on the Standards Development Process, refer to the [Standard Processes Manual](#).

For more information or assistance, contact Senior Standards Developer, [Laura Anderson](#) (via email) or at 404-446-9671. [Subscribe to this project's observer mailing list](#) by selecting "NERC Email Distribution Lists" from the "Service" drop-down menu and specify "Project 2019-04 Modifications to PRC-005-6" in the Description Box.
