Standards Announcement
Project 2021-02 Modifications to VAR-002

Supplemental Drafting Team Nomination Period Open through July 15, 2022

Now Available

Additional nominations are being sought for Project 2021-02 Modifications to VAR-002 drafting team members through 8 p.m. Eastern, Friday, July 15, 2022.

Use the electronic form to submit a nomination. Contact Cindy Jackson regarding issues using the electronic form. An unofficial Word version of the nomination form is posted on the Standard Drafting Team Vacancies page and the project page.

Drafting Team activities include participation in technical conferences, stakeholder communications and outreach events, periodic drafting team meetings and conference calls. Approximately one face-to-face meeting per quarter can be expected (on average three full working days each meeting) with conference calls scheduled as needed to meet the agreed-upon timeline the drafting team sets forth. NERC is seeking individuals who possess experience in the following area: Transmission Operators who receive and apply information to its respective Real-time assessment and Real-Time monitoring activities.

By submitting a nomination form, you are indicating your willingness and agreement to actively participate in face-to-face meetings and conference calls. Previous drafting team experience is beneficial but not required. See the project page and nomination form for additional information.

Next Steps
The Standards Committee is expected to appoint members to the drafting team in August 2022. Nominees will be notified shortly after they have been appointed.
