## Standards Announcement

### Comment Period Extension

#### **Project 2006-06: Reliability Coordination**

The comment period for this project has been extended **until 8 p.m. EDT on February 18, 2010**. The extension provides a 45-day period to review the definition of Reliability Directive, which was not part of the previous comment periods for this project.

#### **Standards Development Process**

The [Reliability Standards Development Procedure](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.
