

Standards Announcement

Project 2015-10 Single Points of Failure Standard Authorization Request (SAR)

Standard Drafting Team Nomination Period Open through August 5, 2016

[Now Available](#)

Nominations are being sought for standard drafting team (SDT) members through **8 p.m. Eastern, Friday, August 5, 2016.**

Use the [electronic form](#) to submit a nomination. If you experience any difficulties in using the electronic form, contact [Wendy Muller](#). An unofficial Word version of the nomination form is posted on the [Standard Drafting Team Vacancies](#) page and the [project page](#).

By submitting a nomination form, you are indicating your willingness and agreement to actively participate in SDT meetings if appointed by the Standards Committee (SC). If appointed, you are expected to attend most of the face-to-face meetings as well as participate in the meetings held via conference calls.

The time commitment for this project is expected to be up to two face-to-face meetings per quarter (on average three full working days each meeting) with conference calls scheduled as needed to meet the agreed upon timeline the SDT sets forth. Drafting teams may have side projects, either individually or by subgroup, to present to the larger team for discussion and review. Lastly, an important component of the SDT effort is outreach. Members of the team are expected to conduct outreach during development, prior to posting to ensure all issues can be addressed.

Previous drafting team experience is beneficial, but not required. A brief description of the desired qualifications, expected commitment, and other pertinent information is included on the project page and the nomination form.

Next Steps

The SC is expected to appoint members to the team in September 2016. Nominees will be notified shortly after the appointments have been made.

For information on the Standards Development Process, refer to the [Standard Processes Manual](#).

For more information or assistance, contact Standards Developer, [Jordan Mallory](#) (via email) or at (404) 446-9733.
