

NERC Email List Policy

At its discretion, NERC may provide “listservs” to be used by NERC committees, groups, and teams to facilitate sharing information about NERC activities with interested parties. All emails sent to NERC listserv addresses must be limited to topics that are directly relevant to the listserv group’s assigned scope of work. NERC reserves the right to apply administrative restrictions to any listserv or its participants, without advance notice, to ensure that the resource is used in accordance with this and other NERC policies.

Prohibited activities include using NERC-provided listservs for any price-fixing, division of markets, and/or other anti-competitive behavior.¹ Recipients and participants on NERC listservs may not utilize NERC listservs for their own private purposes. This may include:

- announcements of a personal nature,
- sharing of files or attachments not directly relevant to the listserv group’s scope of responsibilities,
- and/or communication of personal views or opinions,
 - unless those views are provided to advance the work of the listserv’s group.

Use of NERC’s listservs is further subject to NERC’s Participant Conduct Policy for the Standards Development Process.
