Agenda Items

Opening remarks – Amy Casuscelli thanked the Periodic Review Standing Review Team (PRSRT) members for providing input for the standards grading process this year, and for the guest observers in attendance.

Administrative – Chris Larson shared an overview of the PRSRT background and process, current status of the project, and next steps. He referenced the [Frequently Asked Questions](#), available on the [project page](#).

Review grades with larger differences (Content 2+ or Quality 3+) – The PRSRT reviewed the comments and grades, and made adjustments based on discussion with the other members. The team finalized the content of the initial grades for the public comment period.

Post initial grades for informal industry comment – The initial grades will be posted for industry comment April 20 - June 3, 2022. The next team meeting to review industry comments and finalize grades is scheduled for June 10, 2022.

Meeting adjourned at 1:20 p.m. Eastern
