

Implementation Plan for Standard FAC-013-2 (Planning Transfer Capability)

Prerequisite Approvals

There are no other reliability standards or Standard Authorization Requests (SARs), approved or in progress, that must be implemented before this standard can be implemented.

New or Modified Definitions

The following definitions shall become effective when FAC-013-2 becomes effective:

Planning Transfer Capability (PTC): A forecast of the Transfer Capability between areas that is used in the planning horizon when performing planning analyses.

Planning Transfer Capability Implementation Document (PTCID): A document that describes the implementation of a method for calculating Planning Transfer Capability (PTC), and provides information related to a Planning Coordinator's calculation of PTC.

Modified Standards

FAC-012-1 and FAC-013-1 should be retired when FAC-013-2 becomes effective.

Compliance with Standards

Once the standard becomes effective, the responsible entity identified in the applicability section of the standard must comply with the requirements. This includes

- Planning Coordinators

Proposed Effective Date

First day of the first calendar quarter that is six months beyond the date that MOD-001-1, MOD-028-1, MOD-029-1, and MOD-030-2 are effective.
