Re: Revision to NERC Spreadsheet Notice of Penalty in FERC Docket No. NP23-18-000

Dear Ms. Bose:

On June 29, 2023, the North American Electric Reliability Corporation (“NERC”) submitted the above captioned Spreadsheet Notice of Penalty. The Spreadsheet Notice of Penalty included an incorrect violation end date and number of impacted Facility Ratings, which required clarification in the violation description to distinguish between Equipment Ratings and Facility Ratings.

- Accession Number: 20230629-5046 (containing one Public Non-CIP Violation), FERC Docket No. NP23-18-000, filed June 29, 2023

NERC is providing a revised public version of the non-CIP Spreadsheet Notice of Penalty filing with the corrected information.

Respectfully submitted,

/s/ Caelyn Palmer
