**Re: Errata to NERC Notice of Penalty regarding Entergy  
FERC Docket No. NP21-16-000**

Dear Ms. Bose:

On April 29, 2021, the North American Electric Reliability Corporation (“NERC”) submitted the above captioned Notice of Penalty regarding Entergy. NERC’s filing inadvertently contained drafting errors that resulted in an incorrect reference to a Standard family not at issue in this Notice of Penalty and an incorrect Standard version for one of the violations in the Notice of Penalty.

- Accession Numbers: 20210429-5363 (containing two public O&P violations), FERC Docket No. NP21-16-000, filed April 29, 2021

The attached file contains the corrected Standard version to the impacted violation and removes the incorrect reference in the Notice of Penalty.

Respectfully submitted,

*/s/ Alain Rigaud*
