Re: Errata NERC Notice of Penalty regarding FirstEnergy Utilities in FERC Docket No. NP23-1-000

Dear Ms. Bose:

On October 31, 2022, the North American Electric Reliability Corporation (“NERC”) submitted the above captioned Notice of Penalty regarding FirstEnergy Utilities as agent for Allegheny Energy Supply Company, L.L.C., etc. NERC’s filing inadvertently contained drafting errors that resulted in an incorrect reference to a Standard family not at issue in this Notice of Penalty.

- Accession Number: 20221031-5181 (containing two public non-CIP violations), FERC Docket No. NP23-1-000, filed October 31, 2022

The attached file contains the corrected discovery date to the impacted violation and removes the incorrect reference to the Standard family not at issue in the Notice of Penalty.

Respectfully submitted,

/s/ Amy Engstrom
