

Coordinated Functional Registration (CFR) Portal Notice

November 17, 2017

The CFR Portal is live!

The **Coordinated Functional Registration (CFR) Portal** is now ready for use by Registered Entities to create, submit and update Coordinated Functional Registrations (CFRs).

To access the **CFR Portal** you must have access to the **ERO Portal (Formerly NERC MyAccount)**.

Instructions for registering for the ERO Portal and CFR Portal are included in the “**CFR Portal User Guide**” and **Power Point** training presentation located on the [Organization Registration](#) page on [NERC.COM](#) under “**Reference Documents**”. A link to the CFR Portal is also located on the **Organization Registration** page under “**NERC Registration Tools**”.

- The software is in warranty phase until December 13th, 2017.
- Additional training will be coordinated by Regional Entities.

For more information or assistance, please contact your **Regional Entity**.
