

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Revised Critical Infrastructure Protection  
Reliability Standards

Docket No. RM15-14-002

ERRATA NOTICE

(Issued July 22, 2016)

On July 21, 2016, the Commission issued a “Final Rule” in the above-captioned proceeding. *Revised Critical Infrastructure Protection Reliability Standards*, 156 FERC ¶ 61,050 (2016). Commissioner LaFleur dissented with a separate statement from this Final Rule. Accordingly, this errata notice corrects page 62 of this order adding a sentence after “By the Commission” to read as follows:

“Commissioner LaFleur is dissenting with a separate statement attached.”

Nathaniel J. Davis, Sr.,  
Deputy Secretary.
