Q3

Briefly describe the nominee's experience and qualifications to serve on the RSTC:

I have represented Sector 5 as an RSTC and previously as a member of the NERC Operating Committee since 2017. During my 29 in the electric utility, I have worked in transmission and resource planning, regulatory compliance, power marketing and T&D Operations.

I am currently the Director-Power System Control for City Utilities of Springfield, Missouri, a certified Transmission Operator and a registered PE in the state of Missouri. I have served on MRO's Reliability Advisory Council since 2019, and a number of SPP working group's since 1998.

I am well acquainted with current and emerging challenges to power system reliability, and believe that the RSTC must continue to provide technical input and leadership in order to maintain the expected level of service to consumers.
