### Q3

Briefly describe the nominee's experience and qualifications to serve on the RSTC:

Incumbent RSTC member serving sector 3 from the MRO region with 15 years experience serving on NERC committees, twelve of which in a leadership role.

Marc is director of information security assurance for Great River Energy, a G&T cooperative, and Minnesota's second largest utility. He brings decades of cyber and physical security experience to the ERO where, in addition to his current RSTC role, serves as chair on two E-ISAC working groups, and collaborates as a subject matter expert with the MRO security advisory group. Additionally, he chairs the NRECA cybersecurity member advisory group where he actively advocates on behalf of cooperatives across the US.

As a cybersecurity expert serving his utility for sixteen years, Marc values and cultivates effective working relationships with colleagues in operations and planning roles - both within his organization and across the BES. This resource pool is readily tapped when Ops & Planning issues are brought to the RSTC and informs his deliberations on action items.
