Instructions for Commenting
A formal comment period is open through **8 p.m. Eastern on Wednesday, November 20, 2013.** Please use the electronic form to submit comments. If you experience any difficulties in using the electronic form, please contact Wendy Muller. An off-line, unofficial copy of the comment forms are posted on the project page.

Next Steps
Additional ballots for the standards and non-binding polls of the associated Violation Risk Factors (VRFs) and Violation Severity Levels (VSLs) will be conducted as previously outlined. During the initial comment period, two ballot pools were formed (one to ballot the standards and one for the non-binding polls). For this ballot and non-binding poll, each standard and its associated non-binding poll will be balloted separately (for a total of two standard ballots and two non-binding polls). The original ballot pools will be used for the individual standard ballots and non-binding polls.
