

Standards Announcement **Reminder**

Project 2013-04 Voltage and Reactive Control VAR-001-4 and VAR-002-3

Additional Ballots and Non-Binding Polls now open through November 25, 2013

Now Available

Additional ballots for **VAR-001-4** and **VAR-002-3** and non-binding polls of the associated Violation Risk Factors (VRFs) and Violation Severity Levels (VSLs) are open through **8 p.m. Eastern on Monday, November 25, 2013.**

Background information for this project can be found on the [project page](#).

Instructions for Commenting

Members of the ballot pools associated with this project may log in and submit their vote for the standards and non-binding polls of the associated VRFs and VSLs by clicking [here](#).

Next Steps

The ballot results for **VAR-001-4** and **VAR-002-3** will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the standards. If the comments do not show the need for significant revisions, the standards will proceed to final ballots.

Standards Development Process

The [Standard Processes Manual](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.
