

# Updated Standards Announcement

## Project 2015-02 Emergency Operations Periodic Review

**Formal Comment Period** Open through May 11, 2015

Commenting for this project is in the [Standards Balloting & Commenting System \(SBS\)](#)

### [Now Available](#)

A 45-day **formal comment period** for the **Project 2015-02 Emergency Operations Periodic Review** team preliminary recommendation templates for four standards is open through **8 p.m. Eastern Monday, May 11, 2015**.

The standards being commented on are as follows:

- EOP-004-2 - Event Reporting
- EOP-005-2 - System Restoration from Blackstart Resources
- EOP-006-2 - System Restoration Coordination
- EOP-008-1 - Loss of Control Center Functionality

### [SBS Login, Registration, Validation and Permissions](#)

To **comment** in the SBS, you must have a contributor, voter, or proxy role.

### Commenting

Use the [electronic forms](#) to submit comments on the standards. If you experience any difficulties in using the electronic forms, contact [Arielle Cunningham](#). Unofficial Word versions of the comment forms are posted on the [project page](#).

### Standards Development Process

For more information on the **Standards Development Process**, please refer to the [Standard Processes Manual](#).

For more information or assistance, contact Standards Developer, [Laura Anderson](#) (via email) or at (404) 446-9671.
