

Standards Announcement

Project 2019-01 Modifications to TPL-007-3

Nomination Period Open through March 26, 2019

[Now Available](#)

Nominations are being sought for standard drafting team members through **8 p.m. Eastern, Tuesday, March 26, 2019.**

Use the [electronic form](#) to submit a nomination. If you experience any difficulties using the electronic form, contact [Linda Jenkins](#). An unofficial Word version of the nomination form is posted on the [Drafting Team Vacancies](#) page and the [project page](#).

By submitting a nomination form, you are indicating your willingness and agreement to actively participate in face-to-face meetings and conference calls.

The time commitment for this project is expected to be one face-to-face meetings per quarter (on average three full working days each meeting) with conference calls scheduled as needed to meet the agreed upon timeline the team sets forth. Team members may also have side projects, either individually or by sub-group, to present for discussion and review. Lastly, an important component of the SDT effort is outreach. Members of the team will be expected to conduct industry outreach during the development process to support a successful ballot.

Previous drafting team experience is beneficial but not required. See the [project page](#) and unofficial nomination form for additional information.

Next Steps

The Standards Committee is expected to appoint members to the standard drafting team in April 2019. Nominees will be notified shortly after they have been appointed.
